- B. Liability of Employers and Agents: When the provisions of any section of this City Code prohibits the commission of an act, not only the person actually doing the prohibited act or omitting the directed act, but also the employer and all other persons concerned with or in aiding or abetting the said person shall be guilty of the offense described and liable to the penalty set forth.

<u>1-02-001-0003</u>	COURT PROCEEDINGS:
<u>1-02-001-0004</u>	SEVERABILITY CLAUSE:

SECTION 1-02-001-0001 REPEAL OF GENERAL ORDINANCES:

All general ordinances of the City passed prior to the adoption of this City Code are hereby repealed, except such as are referred to herein as being still in force or are by necessary implication herein reserved from repeal (subject to the saving clauses contained in the following sections), from which are excluded the following ordinances which are not hereby repealed: tax levy ordinances; appropriation ordinances; ordinances relating to boundaries and annexations; franchise ordinances and other ordinances granting special rights to persons or corporations; contract ordinances and ordinances authorizing the execution of a contract or the issuance of warrants; salary ordinances; ordinances establishing, naming or vacating streets, alleys or other public places; improvement ordinances; bond ordinances; ordinances relating to elections; ordinances relating to the transfer or acceptance of real estate by or from the City; and all special ordinances.

SECTION 1-02-001-0002 PUBLIC UTILITY ORDINANCES:

No ordinance relating to railroads or railroad crossings with streets and other public ways, or relating to the conduct, duties, service or rates of public utilities shall be repealed by virtue of the adoption of this City Code or by virtue of the preceding section, excepting as this City Code may contain provisions for such matters, in which case this City Code shall be considered as amending such ordinance or ordinances in respect to such provisions only.

SECTION 1-02-001-0003 COURT PROCEEDINGS:

No new ordinance shall be construed or held to repeal a former ordinance whether such former ordinance is expressly repealed or not, as to any offense committed against such former ordinance or as to any act done, any penalty, forfeiture or punishment so incurred, or any right accrued to claim arising under the former ordinance, or in any way whatever to affect any such offense or act so committed or so done, or any penalty, forfeiture or punishment so incurred or any right accrued or claim arising before the new ordinance takes effect, save only that the proceedings thereafter shall conform to the ordinance in force at the time of such proceedings, so far as practicable. If any penalty, forfeiture or punishment be mitigated by any provision of a new ordinance, such provision may be, by the consent of the party affected, applied to any judgment announced after the new ordinance takes effect.

This section shall extend to all repeals, either by express words or implication whether the repeal is in the ordinance making any new provisions upon the same subject or in any other ordinance.

Nothing contained in this Chapter shall be construed as abating any action now pending under or by virtue of any general ordinance of the City herein repealed, and the provisions of all general ordinances contained in this Code shall be deemed to be continuing provisions and not a new enactment of the same provision; nor shall this Chapter be deemed as discontinuing, abating, modifying or altering any penalty accrued or to accrue, or as affecting the liability of any person, firm or corporation, or as waiving any right of the City under any ordinance or provision thereof in force at the time of the adoption of this City Code.

SECTION 1-02-001-0004 SEVERABILITY CLAUSE:

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this City Code or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Code, or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.  - 1. the City shall discover that the contractor made a material omission or false statement in the course of providing the information required by Subsection D hereof; or
 - 2. the contractor shall commit a Violation as defined herein, which, in conjunction with other Violations committed by the contractor or any Affiliate, would make it a Habitual Violator hereunder;

then the City may terminate such contract forthwith, without penalty or further obligation (other than those as may already have accrued under the terms of the contract), except as may be otherwise expressly provided in such contract. (Ord. 1945, 05/20/97)
